Dear [Head's name]

Re – Name of child . Date of birth.

As you will be aware of recent changes to the Curriculum in Wales, and after very careful consideration and discussion, we/I have now decided to take full responsibility for providing education for [CHILD NAME] by Home Educating them in accordance with section 7 of the 1996 Education Act.

We/I therefore instruct school to delete [*CHILD NAME*] from the school register with immediate effect, We/I believe this is in accordance with Regulation 8(1)(d) of the Education (Pupil Registration) Regulations 2006.

We/I will ensure that our/*my son/daughter* is provided with an efficient full-time education suitable to *his/her* age, needs, personal development, ability, aptitude and to any additional learning needs.

We/I are/am aware that the government currently recommends schools offer a meeting/discussion to those considering home education, however we are not considering it, we are now choosing to home educate, therefore a meeting with you is not necessary. I instruct that deregistration should be actioned with immediate effect.

Yours sincerely
